

# XXI Encontro de Jovens Investigadores em Paleontologia

6th  
International Meeting of Early-  
Staged Researchers in  
Palaeontology

## LODGING

We can lodge up to 100 people. Lodging will be provided and covered along with the congress inscription. You will be lodged in beds at the municipal pavilion of Lourinhã, with a dedicated heating system provided kindly by the Municipality. The organisation will provide bed-sheets, but attendees are expected to bring their own personal towels. We remark we will adopt the policy of “first registered, first served”.

If you want to have another solution at your expenses, we recommend Laurus Hotel, partner of the congress and at a walking distance of the venue. You can find their page in the following link:

<https://laurushotel.com-hotel.com/pt/>

There is also a variety of smaller lodgings at competitive prices in the municipality.

## MEALS

The congress organisation will cover two coffee breaks (morning and afternoon) and lunch at the venue of the congress. Dinners won't be covered by congress organisation, so we will suggest dinner venues on the next circular.

The gala dinner of the congress will take place on Friday 14th of April and will have a price of 20 euros. Transport for the gala dinner will be provided by the congress.

The talks, poster sessions and coffee breaks will take place in the municipal auditorium and gallery of Lourinhã, at Rua João Luis de Moura, nº 60.

## FEES

Early-bird student (Up to 17 of February)  
55€

Early-bird non-student (Up to 17 of February)  
65€

Late-bird, student or non-student (Up to 14 of March)  
75€

On-line (Up to the start of the congress)  
10€

## WORKSHOPS

Our committee has organised four workshops:

NOTE: The number of vacancies for each workshop is 20; except for the preparation workshop at the lab of Museum of Lourinhã, for which only 10 places will be available. Vacancies will be filled by order of registry.

Prof. Luca Pandolfi: 2D Geometric Morphometric vs 3D GM: basic elements and applications

Victor Beccari, MSc: Blender for Palaeontologists

Carla Alexandra Tomás, MSc: Fossil preparation and conservation

Dr. Soledad de Esteban: Statistics in paleontology.

## FIELDTRIPS

Two fieldtrips will be offered on the last day of the congress.

Lourinhã: this field trip will focus on the Upper Jurassic continental deposits around the Lourinhã municipality, where rich vertebrate assemblages, including dinosaurs, have been found.

Peniche: this fieldtrip will focus on the Toarcian GSSP, and subsequently will include Pleistocene Furninha cave. We will have the opportunity to explore a rich invertebrate assemblage and one of the most striking quaternary fauna of Portugal.

Participants of both fieldtrips will lunch at the Dinopark Lourinhã and visit it. The fieldtrips will finish around 17:00-18:00 at Lourinhã. The price for the field trips will be 10 euros.

## PALEOART CONTEST

During the congress the V paleoart contest of EJIP will be taking place at the municipal gallery of Lourinhã. The original works can be sent to A4 or A3 format to the mail [editorial.ejipimerp23@gmail.com](mailto:editorial.ejipimerp23@gmail.com), until the 14 of March.

They will be printed in k-line to be exhibited at the municipal gallery for a period to be determined, as well as potentially at Museum of Lourinhã and/or Dinopark of Lourinhã. The prizes will be 150 euros and the book “Mesozoic art” offered by paleoartist Simão Mateus.

The jury will be composed by one member of the committee, one paleoartist and one scientist. There will also be a popular vote for another prize to be determined.

# ABSTRACTS, TALKS AND POSTERS

The abstracts will be 300 words long and in English, in arial, justified, with no extra spaces between paragraphs, and they must be conforming to the template. The abstract book will be published in collaboration with Sociedad Española de Paleontología. The submission will be open until the 17th of February. There is a limit of two abstracts per main author for the registration. The template for abstracts can be found at the webpage of the congress:

<https://ejipimerp2023.wixsite.com/ejipimerp2023>

The talks can be in English, Spanish, or Portuguese, but slides must be written in English. However, we encourage the use of English also for the talks. These will be 10 minutes long, with another 5 minutes for questions.

The slides should be sent to the organisation before the meeting. The use of videos or other audiovisual media should be communicated to the organisation beforehand. Authors with oral communication can attend via Zoom. Poster session must be presencial.

The posters will be vertical in A1 size (594 x 841 mm) and in English. The organisation will be available to print them before the meeting (deadline for sending these will be 24 of March) by paying an extra fee of 10 euros.

## PRIZES

Two prizes will be offered, one by Society of Spanish Paleontology and other by the enterprise Transmitting Science, for the best poster and talk.

More information about those in the third circular.

## ROUND-TABLES

Two roundtables will be organised during the congress.

The first one will be about “Inclusivity in paleontology”, will address the impediments women, LGBTQIA+ community, persons of color, and neurodivergent people can encounter in their early career (and even later) in paleontology and academic research; and which solutions can be implemented to solve them and create safe, inclusive, and adapted working environments.

The second one, and the other about “Portuguese paleontological heritage”, will explore what is done in Portugal to protect geological and paleontological heritage, with entities such as the Aspiring Geoparque Oeste, which issues researchers may encounter, with notably the challenge of fossil hunters, and what could it be improve compare to other countries legislation, such as Spain.

## T-SHIRT

Commemorative t-shirts of the congress will be available at the price of 9 euros. These will be light blue with the congress logo on the front.

# INSCRIPTION PAYMENT

The payment for the congress inscription should be done via bank transfer to the following account:

IBAN:PT50004551904014157075576

BIC/SWIFT: CCCMPTPL

The amount transferred should be the sum of all the options marked in the registration form (55 euros basic registration + 20 euros dinner + 10 euros fieldtrip = 85 euros). The subject of the transfer should be the name of the person as in the registration form.

Proof of the payment in a PDF should be sent to the email [ejip.imerp2023@gmail.com](mailto:ejip.imerp2023@gmail.com), with the subject of the mail being the name of the person being registered.
